

## JUMP YOUTH PASTORS & LEADERS CONFERENCE

*"You will seek me and find me when you seek me with all your heart."  
Jeremiah 29:13.*

Youth pastors and church leaders from Colombia, Chile and Costa Rica came to worship and seek God with all their hearts last month in Armenia, Colombia. 140 people from the ages of 18 and up were absorbed in the powerful presence of the Holy Spirit. No one who came left disappointed. Everyone received ministry and revelation! Our team included Pastor Royce Riggin, Pastor Leo Grisales, myself and four others. It was awe-inspiring to experience the unity among the conference leaders. We were diverse in our giftings and God used those differences to form and mold us into a commanding team to impart the Father heart of God to the next generation of pastors and leaders.

*"Deep calls unto deep at the noise of your waterfall; all your waves and billows have gone over me."  
Psalm 42:7*

For three days there was such an awesome sense of repentance and consecration. Young people, and the not so young, were committing themselves to God. Thank you Pastor Leo and Maria for allowing us to come and to be with such wonderful, loving young people who have a mandate to change their nations.

## THE WAVES AND THE WIND STILL KNOW HIS NAME

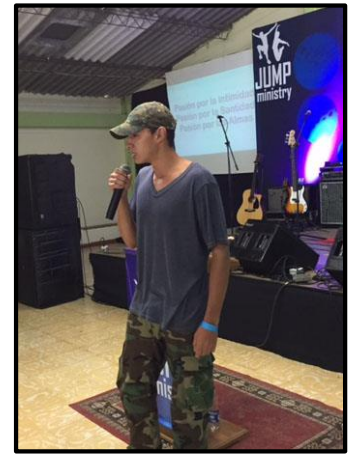

Do you believe the waves and wind still know the name and authority of Jesus? This family does! The lady on the right is Luz Marina and she attended our pastor's conference this past August in Medellin, Colombia. She was very dejected and shared with our ladies team that her son, Oscar David (left), did not believe in Jesus and was bound up in drug addiction and cartel activity. Although the situation looked hopeless, she chose to trust God! The women's team gathered around her to pray and take authority over Oscar's condition. Here is the GREAT news. Oscar, the

prodigal son, has given his heart to Christ! He, his brother and mother attended the Youth Conference in Colombia where he shared his moving testimony of how he came to Christ and surrendered to His Lordship!

### POWER OF GOD RELEASED

The last day of the conference was absolutely *electric* as Pastor Royce released ALL of the people to exercise the impartations they had received by praying for one another. We had three groups pouring out their spirits as they laid their hands on people speaking prophetically, releasing physical healing and the baptism of the Holy Spirit. The atmosphere was charged with a strong, anointed time of ministry. I was humbled as I watched them minister with such authority, love and compassion to each other.

### PASTORS & CHURCH LEADERS TRAINING - ARMENIA, COLOMBIA

110 pastors and leaders gathered on a rainy, Tuesday evening to receive training and encouragement. In spite of the weather and remote location of our meeting, people came expecting to hear and receive from God. One of the prophetic words spoken over Gateway Missions before we left for Colombia, was that the Doors of the City would be opened to us. As our ministry time came to an end, Pastor Jorge (in the striped shirt), came to us to say that we were welcome to return and that all of Armenia would be open to us. Praise the Lord who causes us to prosper and have favor with men and God!

Running the race to win,

Gary and Jane Ann Casey
