## Connecting People, Nations and Continents for the Great Commission

*"Again Jesus spoke saying, 'I am the light of the world. Whoever follows me will not walk in darkness, but have the light of life.'" John 8:12*

### Medellin, Colombia

This year's trip was certainly one to remember! Our team of seventeen people ranged from young to the not so young. But age was not a barrier as we worked together to show the light and love of Jesus in the churches and on the streets of Medellin, Colombia. We were able to preach, share personal testimonies and pray for a countless number of people. God exceeded our expectations on every level. (Colombia Team from left to right: Penny Polk, Paul & La Vila Henry, Henry & Glenda King, Gabriel & Amy Estrada & Jayden Ridgway, Connie Spicer, Janie Gomez, Gary & Jane Ann Casey, Doug & Lisa Barber, Royce & Jennifer Riggan, Chad Bridges)

### Viento Fresco Foundation

Fresh Wind Children's Center in Medellin, Colombia cares for 200 children daily, ages four months to 14 years old. Transformation and restoration are taking place in individuals, families and communities as physical, mental, emotional and spiritual help is

given and received. Our team prayed for and played with the children and three team members prayed prophetic words of love, hope and strength over the Viento Fresco staff members.

## Agizal Youth Foundation

We saw and heard testimonies of youth (preschool through college age) who are being shown the love of Jesus. 300 students hear the Gospel, receive education opportunities, food, hygiene instruction and spiritual mentoring here. In a city that was once called the KILLING CAPITOL of the WORLD, the power of the Holy Spirit is bringing encouragement and revelation to students and their families. Above Left: one of the Agizal Foundation students studying law who will graduate college this year. Great strides are being made in transforming the culture of Colombia! Center: Pastor Gustave and Priscilla have had an enormous influence in the personal and spiritual lives of the youth who come here. Right: Jayden sharing his personal testimony about learning to make Godly choices. He challenged the young people to live for God.

## Christ for the Nations

We had two great times of ministry at CFN with 100+ international students. Many were filled with the Holy Spirit and spoke in tongues for the first time. We all received and spoke prophetic words in prayer to each other.

## Jump Ministry

The presence of the Holy Spirit was very strong as we worshiped, prophesied and prayed for each other. The anointing on Pastor Leo and his team continues to increase in a powerful way. We have come to greatly relish our time with them. There is such joy and blessing in being together!

## 10 Ministry Services and Homeless Outreach

We've heard reports from the churches and pastors that our teams' teachings and testimonies were "words and messages like arrows that landed on the hearts of the people to renew hope and restore marriages and homes." At the park service for the homeless, food was distributed to them, and 10 people received Christ as Savior when the Gospel was preached!

## Pastors Conference

Our last day in Medellin was spent in the presence of 150 Heroes! They are the pastors and church leaders who serve on the front lines to usher in a new wave of God in their nation. Our messages flowed together in unity to lift up and honor the Lord. It was great making new friends and seeing old ones. Thank you to our Pursue Team for serving long days and short nights. God's Presence was with us to impart hope, blessing and bring refreshing to the lives of these pastors and leaders.

Running the race to win,

Gary and Jane Ann Casey
