## Connecting People, Nations and Continents for the Great Commission

### JUMP YOUTH LEADERS CONFERENCE 2016

We are still receiving good reports from our time at the JUMP YOUTH LEADERS CONFERENCE in Armenia, Colombia! One pastor called Leo Grisales, the founder of Jump Ministries and asked:

*“What happened at the Camp? My people came back so different!”*

1 Samuel 10:6 “The Spirit of the Lord will come UPON you in POWER, and you will prophesy with them; and you will be CHANGED into a DIFFERENT person....”

Have you ever found yourself caught up in worship, prayer or reading your bible where you have a heightened sense of God’s presence? That is exactly what happened to us at the JUMP YOUTH LEADERS CONFERENCE just a couple of weeks ago. 160 young leaders representing the nations of Brazil, Colombia, Mexico, Italy and El Salvador, met at the camp in Armenia, Colombia, to receive training and an impartation of the Holy Spirit. Almost all of the young people attending were there for the first time and came with high expectations. Most of those attending received a powerful anointing followed by the baptism of the Holy Spirit and spoke in tongues for the very first time!

The brother and sister pictured here on the left, traveled 7 hours one way by motorcycle to attend the conference. Many others did the same, with some traveling as long as 13 & 16 hours to experience the presence of God!

### THE NEXT MISSION: VIETNAM

Gary leaves December 1 for Ho Chi Minh City (Saigon), Vietnam. He will be joining Jason Holland with Joshua Nations there. We will be training pastors and leaders in church planting and principles of church leadership. Thank you for your prayers as we travel and teach.

It was inspiring to be a part of the JUMP training team and to observe how the Youth Leaders bonded together to seek God and be awakened to their need for one another. Unity and comradery were two great take aways for them.

Our worship was filled with passion and devotion, and the ministry times were powerful experiences of renewal for everyone. I did not sense an atmosphere of

repentance from sin, but rather deep longings for fresh anointing for ministry. One of the bus loads of youth leaders were so fired up that they stopped in a town on the way home to conduct an impromptu evangelistic meeting! They preached, witnessed and prayed for local residents.

### **GOD IS MOVING IN AN AMAZING WAY IN COLOMBIA!**

In Colombia there is an unprecedented harvest of souls ready to hear the gospel of Jesus Christ. The Colombian people represent a prime example of the warm and welcoming Latino culture. The local church is being mobilized with great enthusiasm and faith. Our final day in Colombia was spent with 37 senior pastors and we challenged them with topics such as *Maintaining Your Personal Passion* and *Raising up the Next Generation of Leaders*.

As you can imagine, it takes quite an investment of time, resources and energy to reach the hidden heroes of faith. That is why we are asking you to pray about what God would have you give to help us at Gateway Missions as we answer the call to “Come Over and Help”. Pastors and church leaders are waiting to hear from us even as we write you. There has never been a more strategic time to reach the world with the Gospel. Your partnership with Gateway Missions is transforming pastors and church leaders not only in Colombia, but GLOBALLY for the Great Commission.

Running the race to win,

Gary and Jane Ann Casey
