Connecting People, Nations and Continents for the Great Commission

“Worship the LORD with gladness. Come before him, singing with joy.” Psalm 100:2

Extravagant Worship

In our preparation for this conference there was quite a bit of resistance by the devil. However, we knew that if we stood our ground God would show up. And show up He did! We chose to focus on the faithfulness and goodness of God beyond the nuisances of a defeated foe. Youth Leaders, ages 20 – 30 years old, came determined to go deeper into the presence of the Lord. They were not content to give anything less than Abandoned and Extravagant Praise to Jesus. Over and over each day, we would experience waves of the

Holy Spirit’s presence washing over us, cleansing us, healing us, restoring us and strengthening us. During the praise and worship services many people received healing for their souls. Every day we were challenged to live a focused life. The teachings and training were over the top with powerful truths shared from the Word of God. We could sense and feel lives being miraculously transformed! There were so many young people who are ready to accept and meet the challenge of the Great Commission. They offer up their energy, ambition, enthusiasm, hope, purity, passion and purpose to be a living habitation of the Holy Spirit, which is the CHURCH. We all have by God’s design, the freedom to choose whom we will serve and they choose to participate in God’s divine and purposeful plan to be righteous leaders. The future for Colombia is bright! Many of the young leaders of Colombia also feel a connection and call to foreign missions.

Jane Ann and I cannot thank you enough for your prayers and support. Gateway Missions relies on your faithful, consistent partnership. Our Mission is to train, equip and encourage pastors and church leaders to fulfil the Great Commission. Together we are leaving a LEGACY to impact nations with the Gospel!

Pastor Carlos (Passi) and Natalie

This is just one of the many young couples who attended the Colombian Youth Leaders Conference. They are true servant/leaders. He is from El Salvador and she is from Colombia. They have been married for two months and pastor a church in Colombia. Throughout the conference they were always helping and encouraging others. Natalia is fluent in English and interpreted for me one day. Her goal is to become proficient in interpreting. She did an excellent job for me communicating the message and principles of being an “Unsung Hero.” (John 6:1-13) This is a story of a young man, an anonymous figure, who by his sacrifice of five loaves and two fish, witnessed firsthand the miracle of the feeding of the five thousand. By giving all he had to Jesus, he became an active and willing participant and partaker in blessing the multitude.

This “Unsung Hero” was an observer and participant with Jesus and the disciples in the miraculous feeding!

1. He was an eyewitness of how the **unlimited provision** of God overcomes insufficiency.
2. He gained a revelation of the **compassion** of Jesus.
3. He learned that **cooperation** with others could accomplish exponential results.
4. He observed that **whatever you give to God, He will bless and multiply**.
5. Finally he discovered, **being in the presence of God** brings **transformation** in our lives.

He was at the **right place** at the **right time** with the **right stuff**.

WHAT DO WE HAVE THAT GOD CAN USE?

“I appeal to you, brothers and sisters, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship.” *Romans 12:1*

My Heart was “Strangely Warmed”

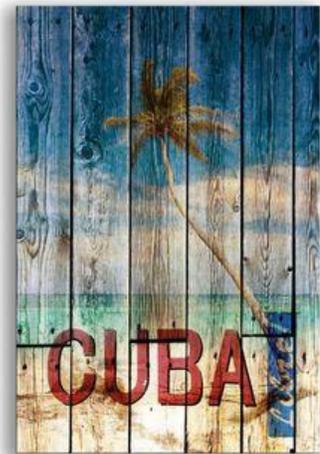

John Wesley, founder of the Methodist Church said during one of his darkest times that he felt his **heart** was “**strangely warmed**” at a revival meeting. As I sensed the Holy Spirit pouring out His love and forgiveness during our meetings, my heart was overjoyed to see hearts and lives being changed by the power and grace of God. Something profound and miraculous was happening that could not be manufactured or manipulated by man!

Running the race to win,

Gary and Jane Ann Casey

Cuba is a land of enchantment. It is a place where time stands still and no one gets in a hurry. It is also a place where Christ is being revealed as never before! The contrast between opposing ideas has never been more evident. The darkness of a godless society is being penetrated with the brilliant, life-changing light of Christ. Please pray for our team as we leave for Cuba on April 24th to train and teach pastors in a strategic Leadership Conference.

Jane Ann and I thank you again for your prayers and financial support for Gateway Missions. You are an indispensable part of this ministry. Pastors and church leaders receive training, encouragement and fresh anointing that change the course of their ministries and their nations. These servants have very little resources or ability for travel to receive much needed training. Pastors consistently come to us to say they were on the brink of quitting the ministry; but through the work of Gateway Missions they are renewed and enabled to continue. Nothing we could ever hear could please us more because it gives glory to God. Thank God for his faithfulness and thank you for your compassionate investment for the Kingdom of God.

Your gift is tax deductible as allowed by law. All funds are used for designated projects and for the total ministry of Gateway Missions.
