“And let us run with endurance the race that is set before us.” Hebrews 12:1 (ESV)

Connecting People, Nations, and Continents for the Great Commission

Merry Christmas and a Joyous New Year

Jane Ann and I pray your Thanksgiving was filled with friends, family and hearts full of blessings.

As we celebrate the advent of Christ’s appearing on earth to redeem mankind from their sins, we are awestruck by such a selfless act. We can hardly wrap our finite minds around such love. But for this very reason, we answered the call given to us in Matthew 28:19-20 to GO. For eighteen years Gateway Missions has trained, equipped and encouraged pastors and church leaders worldwide to steward the message of the GOSPEL. We have so much to be thankful for. Your love, prayers and partnership have enabled Gateway Missions to fulfill its vision. Through your prayers and participation, you have strengthened our hearts to run and complete our race, especially during the challenging times of the past several years.

Writing this letter is bittersweet for Jane Ann and me. Since 2020 I have experienced several health issues leading us to examine our capability to travel and to fully discharge our responsibilities. After returning from Colombia in September, it became clear that my ability to minister at full capacity was not viable. We will be contacting our friends we have worked with around the world to let them know of our situation. Of course, we will continue to keep in touch with them.

Jane Ann and I met with our Board of Directors on December the 5th, to seek their wisdom and advice as to how we should proceed. With the approval of our Board, we have concluded it is time to dissolve Gateway Missions as a 501 C (3) ministry. We rejoice in knowing the labor and investment in this ministry has born incredible results that will continue to:

Connect People, Nations, and Continents for the Great Commission.

In Hebrews 12:1, Paul encourages us to run with endurance the race that is set before us. Jane Ann and I are confident we have run this leg of our race with our whole hearts and we look forward to pursuing our next mission. You have played such an incredible part in our lives and in the Gateway Missions ministry, for which we will be eternally grateful. We also know the investment made by you, whether in prayer or finances, will continue to grow God’s Kingdom, and that your reward in heaven will be great.

Thank you and God bless you.

ATTENTION

Please make a note to suspend your financial support to Gateway Missions as of December 31, 2024. Contributions received after DECEMBER 31 will NOT be subject to any TAX deductions and will be returned. Now would be a good time to prayerfully consider moving your charitable giving to another deserving ministry. In conjunction with that we are suspending our mailing address of Gateway Missions, PO Box 53660 Lubbock, TX 79453. Our new address will be our home address.

Gary and Jane Ann Casey - 3011 108th Street - Lubbock, TX 79423

Our Phone numbers will remain the same: Jane Ann (806)928-0934 / Gary (806)928-0986

Our email addresses will be changing, which is a work in progress as we write this letter. If you would like to receive our new email address, please call or TEXT us and we will get that to you as soon as we have them setup.

With grateful hearts we thank you once again for making our lives fuller and for enriching the lives of countless pastors and church leaders worldwide.

“Beloved, I pray that all may go well with you and that you may be in good health, as it goes well with your soul.” 3 John 1:2 (ESV)

Run the Race,

Gary and Jane Ann Casey

As we press forward, we are excited about focusing on our family, which we believe is and has always been our greatest ministry and joy. We are so proud of our children, their spouses, our grandchildren.

We rejoice in the newest blessing added to our family, our beautiful great-granddaughter, Norah Grace Rowan.

Your gift is tax deductible as allowed by law. All funds are used for designated projects and for the total ministry of Gateway Missions
