Connecting People, Nations and Continents for the Great Commission

*“Let all the earth fear the LORD; let all the inhabitants of the world stand in awe of Him
Blessed is the nation whose God is the LORD, and the people whom He has chosen as His
heritage!”*
Psalms 33: 8,12 (ESV)

Happy Independence Day

Jane Ann and I trust you had a very peaceful and patriotic day. To us, the 4th of July is a special reminder of the freedoms that we have, because of the sacrifices that so many men and women paid in order that we may openly worship and live unrestricted from tyranny. Many courageous men and women in our armed forces have paid the ultimate price. We should never forget, nor take such devotion for granted. We should also honor the sacrifices made by the families whose sons, daughters, mothers and fathers served our great USA. Without being political, we want to express our deep love for our nation and its founding principles. [2 Corinthians 3:17 \(ESV\)](#) says...*“Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom.* We have friends and ministry relationships around the world who have lived in oppression and many still do. Yet they are free because of what Christ has done in their lives. God has blessed us in order that we might in turn bless others and proclaim unashamedly the Good News of Jesus Christ.

1st Sergeant Retired - Jerry G. Casey

This weekend my nephew surprised us with a visit. He retired after serving 30 years in the U S ARMY as a 1st Sergeant (L). He was deployed to a variety of theaters in the Middle East and in Central and South America. He presently teaches school, farms and is a bull fighter and rodeo clown (R). In addition, he and his wife Neicha, are raising their two wonderful grandsons in their Christian home. Thank You Jerry and Neicha for being such model citizens and patriots. Your example of faithfulness is greatly needed. May God richly bless you and all the Armed Forces and

Veterans. We also commend and thank all First Responders, Police Officers and Healthcare Workers for their dedication and commitment to serve the public in these precarious times.

“His lord said to him, ‘Well done, good and faithful servant. You have been faithful over a few things, I will set you over many things. Enter into the joy of your lord. Matthew 25:21 (NKJ)

Cubans in Crisis

We just received a text from one of our friends who pastors in Cuba, sharing with us this news of Cuba's unrest:

July 12, 2021

“Thousands of Cubans took to the streets on Sunday to protest a lack of food, medicine and fuel as the country undergoes a grave economic crisis aggravated by the Covid-19 pandemic. Their cries are “Down with Dictatorship” as they demonstrate against the

Communist Regime of 62 years and fight for their freedom!

Although we have not had the ability to travel to Cuba for over 18 months due to COVID-19 restrictions, we make it a priority to keep in touch with the pastors and church leaders there to encourage them and strengthen them. Gateway Missions has aided some of them with financial resources so they can purchase food, gas, clothing and medicine. We continue to pray for ways to help our friends and ministry partners there. Communications are limited due to the government control of television, internet and social media. We also just heard that Elon Musk (Tesla Motors) is working on a “back door” to make satellite access available so Cubans can connect to internet and stay in contact with the rest of the world! Thank you for your prayers and participation with this ministry. Your impact on these lives and many others has a global and eternal harvest. We hold the people of Cuba in our hearts and in our prayers.

News from Transnistria

Our friends in this former Soviet nation are once again the target of the KGB monitoring their activities. Here is what we received this morning (July 14th) from Pastor Yuri and his wife Oksana.

*“Dear Gary and Jane Ann,
KGB offices started calling to me again. I don’t know what they are up to this time. Please support me in your prayer. Let the enemy not succeed and be defeated.”*

Please join us as we pray protection, boldness and courage over Pastor Yuri, his family and his church. We believe God is moving and shaking the nations NOW for His glory!
