## Connecting People, Nations and Continents for the Great Commission

*“And this Gospel of the Kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come.” (Matthew 24:14 ESV)*

### UNTIL THE WHOLE WORLD KNOWS

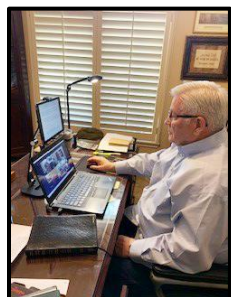

Jane Ann and I want to commend you on your commitment to make Jesus known worldwide.

There are so many distractions that can shift our focus from the vision and purpose God intends for us. First, the COVID PANDEMIC took a tremendous toll for over two years on every global strata. Here in the USA, we have INFLATION, HIGH GAS PRICES, FOOD SHORTAGES, and INCREASES IN HOUSING COST, just to name a few. Not to mention the

MORAL DECLINE of our governmental policies and institutions fracturing families, schools, commerce, etc. And if that were not enough, there is RUSSIA’S ASSAULT on UKRAINE where thousands of innocent people have been brutally murdered. If we let our senses become overloaded with the minutia of world events, we will fail to fulfill our primary purpose: to be WITNESSES for JESUS CHRIST. Every Christian has something to offer. We are Salt and Light to those who are perishing and co-laborers to fulfill the Great Commission. The unreached around the globe are not just numbers, but real people with eternal destinies.

### PAKISTAN ZOOM

On Friday May 6, we will be holding another ZOOM PASTORS CONFERENCE with Pastor Luqman in Lahore, Pakistan.

Pastor Royce Riggin will be joining me for this event. Also, we are beginning to network with other pastors we know in the U.S to provide a greater diversity of teachers and preachers. Thank you for your prayers and support.

# WAR IS KNOCKING AT THE DOOR

*(The letter below was written to us by our contacts and friends in Transnistria.)*

Hello dear Pastor Gary and Jane Ann,

Thanks for keeping us in your prayers.

We are relatively safe. Provocative actions took place in Transnistria, from grenade launchers fired at the KGB, an explosion on the radio tower, and explosion on the airfield.

And the government decided to increase public safety measures. We try not to panic and trust God.

We understand that difficult times are ahead of us. We are promised rocket attacks. Everyone fears a general mobilization. Ukraine and Transnistria are in a hostile state. Since Transnistria is under Russian control. We try to buy everything that people need during a war or a possible blockade. Food, clean water, water purification systems, medicines.

Seeking guidance from God on what to do now. Please pray for this, pray for our safety, the government and so the bad intentions do not come true. Also, we continue to help poor people and refugees which live in our city and nearby villages. Thank you for your support in everything! Say our hello and gratitude to your entire your team.

With love,  
*(Names omitted  
at their request)*

FOX NEWS-April 29, 2022

“Ukrainian defense officials report that Russia is using an ammunition depot in the Moldovan breakaway region of Transnistria to smuggle arms across its borders and to use it as a springboard for Russian aggression.”

Pray for peace and God’s sovereignty!
