

# GATEWAY MISSIONS

September/October 2021

Connecting People, Nations and Continents for the Great Commission

---

*“Lord Almighty, you are the one who created all the nations. Look at them—they’re all on their way! Yes, the day will come when they all will worship you and put your glory on display.”*

*Psalm 86:9 (TPT)*

---

Jane Ann and I want to **thank you**, our friends, partners and intercessors, for standing with us as we follow the leading of the Holy Spirit. None of us know how long this pandemic season will last, but for now, we are going to continue the work of fulfilling the Great Commission. While the enemy is lambasting the church and the world with anxiety and fear, we will not shrink back from our purpose to train, equip and encourage the Servant-Leaders on the frontlines with the Truth of God’s Word.

*We must work the works of him who sent me while it is day; night is coming, when no one can work.*

*John 9:4 (ESV)*

Our focus is on the Kingdom of God. What grand and marvelous promises and plans God has for all those who trust him! We are not to be distracted by what is going on in the world. Yes, things worldwide are evil and chaotic; however, we as the Body of Christ are gifted with supernatural power. The Holy Spirit promises to guide, comfort and provide for us. As Believers, we reflect Jesus, the light of the world who pierces the darkness! We are to be peacemakers as best we can.

## Reverend Jason and Anna Holland – Joshua Nations

On Wednesday, September 1, Jason Holland, president of Joshua Nations, and a dear friend of ours, gave me the honor of sharing the Word of God with some of the pastors he works with. Because of this incredible ministry, we were in 14 nations including the US via ZOOM. Joshua Nations is an international missions ministry located in Arvada, Colorado. Their primary aim is to provide an accredited two year bible degree program to pastors who would never have the opportunity to study God’s Word. Reverend Holland has ministered in over 70 nations in the past 20 years! He has a heart to bring hope to the hopeless, peace to the hurting, and encouragement to the body of Christ. In addition Joshua Nations (like Gateway Missions), has been providing resources to key pastors throughout the COVID-19 pandemic. Thank you, Jason and Anna, for your unwavering commitment to the Great Commission.

## Christ the Savior Church –Tiraspol, Transnistria

Soon Gateway Missions and Water Hose Ministries will team up again to return to Tiraspol, Transnistria. In October we will be with Pastor Yuri, his wife Oksana and the community of churches we have invested in for over twelve years. It is gratifying to participate in what God is doing there. Pastor Yuri has endured a great deal of persecution as he continues to pioneer a bold ministry to reach his nation with the Gospel. While there our team will conduct a two day Encounter the Cross ministry event led by Pastor Royce Riggin. It is designed to bring

healing to people – mind, body and spirit. We will also meet with pastors and church leaders to equip, encourage and empower them for the work of the ministry. Then on Sunday, we will preach in the surrounding churches to bring messages of HOPE and SALVATION!

In over 40 years of missions ministry our call has been to GO. Throughout that time, we've employed different methods to share the enduring Gospel message in order to fulfill our call. The COVID Season has required ministries everywhere to adapt to a new paradigm. In the book of Isaiah during a very tumultuous time the young Prophet answered God's question:

*“Whom shall I send, and who will go for us.” “Here I am send me!” Isaiah 6:8 (NKJ)*

We are humbled and grateful for the generosity, kindness and love you have shown Gateway Missions and the pastors and church leaders we serve. THANK YOU!!

Run the race,

Gary and Jane Ann Casey
